Good afternoon Mr. Hopkins,

The Safe Dams Staff has pulled together their electronic records in response to this request, however the files are too large to email. If you will provide a link (e.g. Dropbox, Google Drive, One Drive), I will be happy to upload the documents for you. Alternately, you can pay \$5.00 for us to mail you a thumb drive.

After a full review of our files, we do not have a copy of the diver inspection report or camera inspection report. The compliance inspection was completed, however the staff person assigned to finalize the report resigned. A new staff person is currently working on finalizing the report and we will provide you a copy once it is completed.
