SUBJECT: Lake Petit Dam  
Pickens County

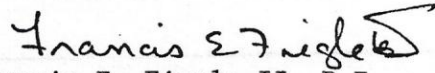

Gentlemen:

It has come to my attention that the ownership of the dam has been transferred to you in 1987. With the change in ownership, it will be necessary for the Property Owners Association to reapply for the Operation Permit for the dam in your name. This is in accordance with Section 391-2-8-.05 (5) of the Rules for Dam Safety which states that the permit cannot be transferred from one person to another without prior approval.

Enclosed is an application for Operation Permit. Please fill this form out and return it to our office immediately so the Operation Permit for Lake Petit Dam can be reissued in your name. Also enclosed is a copy of the 1978 Safe Dams Act as amended and the Rules for Dam Safety for your information.

If there are any questions, please contact me at 404/656-7404.

Sincerely,

Francis E. Fiegle II, P.E.
