SUBJECT: Petit Lake Dam
Pickens County
Permit #112-009-00462

Dear Mr. Auer:

The Division has reviewed the Temporary Emergency Action Plan (TEAP) submitted electronically on June 20, 2023, for the subject dam to outline procedures to lower the lake should an emergency occur while the plug in the low-level outlet is in place. The Division finds the TEAP acceptable and will place the document with the approved EAP as a supplement to it. Please send a copy of the TEAP to all holders of the Record Copies of the EAP for their use.

If you have any questions or concerns, please contact me at Kate.Betsill@dnr.ga.gov or 470-524-4667.

Sincerely,

Kate Betsill
